Classes of Membership

Regular members are those persons who are actively engaged in the design, installation, construction, repair or replacement of onsite sewage disposal systems in New Brunswick. Regular Members may serve as a regional director and/or on the executive.

Associate members are those persons or agencies that have an interest in the wastewater or onsite sewage disposal system industry, but who do not design, install, construct, repair or replace onsite sewage disposal systems in New Brunswick. Associate members may sit as a regional director but not on the executive.

Date: _____ **Signature:** _____

Membership Fee is \$75 plus HST, (Total \$86.25) and is payable to New Brunswick Association of Onsite Wastewater Professionals. Mail this form completed with a cheque or money order to:
